

AKAPA Fall Update

October 2023

Happy Pumpkin Spice Season!

As the leaves fall and the termination dust creeps down the mountain, I hope this season finds you all healthy and happy. We have had quite the fall with all the commotion of State Medical Board proposed regulation changes and our annual conference! We continue to move forward with modernization of the PA practice in Alaska and are hopeful the board will not vote to proceed with the revisions.

Please join us for the next SB115 information session/Town Hall on December 14th. We are motivated to move forward so these regulation changes and restrictions will not be a threat to the patients we serve in the future.

As winter begins... I hope the snow is plenty and temperatures mild! Thank you all for continuing to care for the health of our Alaskan friends & family.

2023 All-Alaska Medical Conference

Thank you to all of you that came out for the conference this year! It was great to catch up with you all and meet some new PAs. Such great speakers this year! It is never too early to start thinking about next year – please send us any ideas for 2024!

Town Hall for SB 115

Please save the date for our next town hall to discuss SB 115. We will be meeting Thursday December 14th at 6:30pm. Location to be determined. We are ready to hit the ground running with a way forward for SB 115. Be on the lookout for additional information.

AKAPA Membership

Membership in AKAPA is what allows us to keep working for you. Please make sure you renew your membership if it has lapsed. Our goal this year is to get every member to encourage one new PA to join.

Please help us reach our goal in 2024!

Thank You Jenny Thomasson!

AKAPA would not be where we are today without the hard work and dedication of our Executive Administrator ~ Jenny T. Her commitment and hard work have made AKAPA what it is today. Thank you for your time and devotion to our profession over the last 20 years!
